MEMORANDUM FOR THE RECORD

Morning Meeting of 22 December 1967

DDCI was in the chair as Acting Director.

DD/I pointed out that the memorandum on President Marcos' problems at mid-term has been produced as a Weekly Review Special Report.

Godfrey reported that latest indications suggest that flight activity of North Korean IL-28's is a "practical exercise."

Kent reported that Vice President Humphrey has added Zambia, Tanzania, and Uganda to his African itinerary [REDACTED]

25

A-DD/S drew attention to the strike of [REDACTED] work force against Pan American and Air America, and noted that Air America's position on the workers' demands will be concerted with other American interests involved. A-DD/S also reported that the [REDACTED] technicians in Vietnam have set 23 December as their strike deadline.

25

A-DD/S and Houston discussed the Internal Revenue Service's query of CIA concerning problems which have arisen in connection with the disposition of weapons initially purchased by CIA and subsequently sold [REDACTED]. The Acting Director asked that he be kept current on this matter.

Carver noted that he is circulating to Data Committee principals a report dealing with the digestion of MACV data concerning friendly forces.

Carver reported that he is going to the White House today to discuss the proposition of pre-emptive buying of Cambodian rice.

Parrott noted that Ambassador Gullion will be at Headquarters today in the event that anyone wishes to meet with him.
